Dear Members,

I'd like to share some information on the process of moving to York Simcoe Hockey League.

Here are the steps:

- Board Approval Approved
- Membership Input/Survey 180 Yes- 20 No
- Incoming/Outgoing League Approval Approved by Tri-County & York Simcoe
- League Change Documents Submitted
- OMHA Board Review Pending
- OMHA Final Approval

Please note that every association must go through the same process. As mentioned on survey document, we have our OMHA Regional Director support but we still need to go through the process and OMHA committee must review and approve.

We will continue to update everyone during the process.
