Disclaimer:

The Caledon Minor Hockey Association reserves the right to add/remove teams at any level based on the following factors:

- a) Registration numbers
- b) Number of or skill level of players who attend tryouts
- c) Direction of OMHA or Tri-County

Every effort will be made to field as many representative hockey teams this season.

In the event that the number of teams in a division is decreased, the coach selected for the higher level team would have the first right of refusal to coach a team (i.e. if a division is scheduled to have AA, A and BB teams, and in the event that we are only able to field AA and BB teams, the A coach who was selected would be given the option to coach the BB team and coach initially selected to the BB team would be placed in the general coaching pool and on the Coach At Large roster for future consideration.
