Section 8. Board of Directors
Sub-Section 8.1. Composition

Add

8.1. Composition

e) Equitable Representation of Directors

The Association at time of the AGM, election of new directors or appointment of committee Members will strive to ensure equitable representation of nominated directors or appointed committee members representing a variety of age groups to ensure continuity of experience, fairness and diversity of knowledge.

RATIONALE

The CMHA Board is currently comprised of multiple Executive Board Members with players within similar age groups. This has created a perceived conflict of interest when trying to fairly review situations within the representative age groups.

There is also a lack of diversity in experiences and knowledge of each age group. Encouraging representatives on the Board or Committees from all age groups would better ensure all voices are being considered and represented on the Board.
