Caledon Minor Hockey Sponsorship Request – for House League 2021-22

Dear Company

Just as summer is approaching planning for the next hockey season in Caledon is just under way. Caledon Minor Hockey is a not-for-profit hockey association, providing children between the ages 4 and 18 the opportunity to participate in competitive and recreational hockey, in addition to building self-esteem and confidence.

House League welcomes little one's ages four and five into Hockey School and fields teams for older children; from six-year old Mites all the way up to Juvenile age. Many players skate with us from kindergarten until they leave for university. All House League players are on the ice for a practice and game each week, except for the oldest group who play two games per week.

There are however many expenses connected with running the House League and we rely on our own fundraising events and the support of local businesses. In return for your \$550 contribution, your business will be listed as a sponsor on our CMHA website and on a House League team's jersey. We hope you see value in contributing to local hockey and thank you in advance for your kind contribution.

Sincerely,

Alex Petricca
President, CMHA
